- **The most important thing about being a baseball player is NOT how well you throw, field, or hit. It is the support and respect you give to your teammates and coaches.**
- **The 3Fs: Fun, Focus, Fire (in that order!)**
- **Work hard—have fun**
- **Wahoos say Thank You**
- **There may be walks in baseball, but there is no *walking* on a baseball field**
- **The one thing always under your control is your effort**
- **Win Every Inning!**
